BACKGROUND / DISCUSSION

The Victim Services Unit has received funding from the Victim Assistance and Law Enforcement (VALE) grant since the inception of the program in 1996. Colorado state statutes mandate law enforcement agencies follow the Victim Rights Amendment to the Colorado Constitution. Many of the stages in the mandated statutes are fulfilled by the Victim Services Unit. Services have been provided to thousands of victims and their family members who have become victims of violent crime in the community. Council has approved appropriations of the VALE grant revenue every year. Services to the community would be drastically cut without this grant award.

This will be the first year Fort Collins Police Services has received grant funding from VOCA. The funding will

help fulfill the legal mandates under the Colorado Constitution as well.

CITY FINANCIAL IMPACTS

The City has received a grant award in the amount of \$35,500 from the Eighth Judicial District Victim Assistance and Law Enforcement Board and there is no match required. The City has also been awarded a grant in the amount of \$24,500 from the Federal Victim of Crime Act (VOCA). The grant from VOCA required a 25% match which will be filled by an in-kind match from volunteer hours worked. Both grants will be used to benefit victim services activities.
