- **PUBLIC COMMENT FOLLOW-UP**

## Consent Calendar

The Consent Calendar is intended to allow the City Council to spend its time and energy on the important items on a lengthy agenda. Staff recommends approval of the Consent Calendar. Anyone may request an item on this calendar to be "pulled" off the Consent Calendar and considered separately. Agenda items pulled from the Consent Calendar will be considered separately under Pulled Consent Items. Items remaining on the Consent Calendar will be approved by City Council with one vote. The Consent Calendar consists of:

- Ordinances on First Reading that are routine;
- Ordinances on Second Reading that are routine;
- Those of no perceived controversy;
- Routine administrative actions.

If the presiding officer determines that the number of items pulled from the Consent Calendar by citizens is substantial and may impair the Council's ability to complete the planned agenda, the presiding officer may declare that the following process will be used to simplify consideration of the Citizen-Pulled Consent Items:

- (1) All citizen-pulled items (to be listed by number) will be considered as a group under the heading "Consideration of Citizen-Pulled Consent Items."
- (2) At that time, each citizen wishing to speak will be given a single chance to speak about any and all of the items that have been moved to that part of the agenda.
- (3) After the citizen comments, any Councilmember may specify items from the list of Citizen-Pulled Consent Items for Council to discuss and vote on individually. Excluding those specified items, Council will then adopt all "Citizen-Pulled Consent Items" as a block, by a single motion, second and vote.
- (4) Any Citizen-Pulled Consent Items that a Councilmember has asked to be considered individually will then be considered using the regular process for considering discussion items.
