FORT COLLINS CITY COUNCIL

ITEM NUMBER: 8

DATE: November 18, 2003

STAFF: Alan Krcmarik

SUBJECT

Second Reading of Ordinance No. 147, 2003, Appropriating Prior Year Reserves in the Wastewater Fund for Prepayment of Debt Service.

RECOMMENDATION

Staff recommends adoption of the Ordinance on Second Reading.

EXECUTIVE SUMMARY

Each year, the Finance Department reviews all of the City's debt instruments to determine if there are opportunities to lower interest payments. This year, staff evaluated an opportunity to save interest by prepaying debt service from reserves held in the Wastewater fund. In 1995, the City of Fort Collins issued \$13,800,000 of refunding bonds to lower annual costs of the Wastewater fund. The bonds mature in 2005. Under the conditions of the bond ordinance, the City may prepay the bonds that mature in 2004 and 2005 without any prepayment penalty. By prepaying the bonds, the City can avoid \$147,500 of interest costs on the bonds. Ordinance No. 148, 2003, was unanimously adopted on First Reading on November 4, 2003.
