Fort Collins Police Services has been awarded a grant from the Colorado Department of Transportation in the amount of \$3,000. This grant will fund overtime costs associated with the enforcement of Colorado's seat belt laws. No cash match is required. The grant period is for November 17, 2003 through December 1, 2003.

**Local Law Enforcement Block Grant**

Fort Collins Police Services has been awarded a grant from the U. S. Department of Justice, Local Law Enforcement Block Grant program (LLEBG) in the amount of \$62,259 for the procurement of equipment and technology related to basic law enforcement functions. A local cash match of \$6,918 is required and will be met by the existing Police Services budget. The grant funds will be used to purchase computer equipment that is compatible with the new CAD/RMS system. These funds should purchase approximately 25 computers.

A condition of the grant is that input be sought from an Advisory Board. The Advisory Board makes a non-binding recommendation to the U.S. Department of Justice on the use of the funds. The Advisory Board, consisting of representatives from local law enforcement (Chief Harrison), prosecutor's office (Stu VanMeveran), court system (Judge Kathleen Lane), public school (Ellyn Dickmann), and non-profit agency active in crime prevention or treatment (Scoot Crandall – TEAM Fort Collins and Pam McCracken – CSU Center for Drug and Alcohol Education), reviewed the project, and supported the proposed use of the grant funds.

In addition, a Public Hearing was held on September 26, 2003, to receive comments from Fort Collins citizens regarding the proposed use of the grant funds. No one attended the public hearing and no comments were received.

By making youth offenders aware of the impacts of their actions, Criminal Justice Officials are optimistic that these offenders will be less likely to repeat those actions. A \$5,244 cash match is required and will be met by the existing Municipal Court budget.

The grant period is from October 1, 2003 to September 30, 2004.
