On August 14, City Council met with staff in a study session to review two proposed sales and use tax ballot packages for the November 2001 ballot. Council reviewed the recommendations of the Finance Committee and discussed various options to place on the ballot. No consensus was reached, but the Council agreed to ask the Finance Committee to review the matter further at its August 17 meeting and to place the packages on the August 28 Adjourned meeting calendar.

Based upon the discussions at the August 14 and 17 meetings, two packages have been developed for Council's consideration. If one or more packages are to be placed on the November ballot, Council must approve the resolutions before or at the September 4 regular Council meeting.
