

COUNCIL OF THE CITY OF FORT COLLINS

STUDY SESSION AGENDA

February 23, 1999

6:00 p.m.

1. Call Meeting to Order.
2. Roll Call.
3. City Plan Monitoring Project. (6:00 p.m. - 6:50 p.m.)

Staff is requesting that Council provide guidance to refine the City Plan Monitoring System and Draft Indicator Report prior to completion of the final report. The following list of questions were developed to focus the discussion:

- Is the indicator report on track and consistent with Council's expectations?
- Does the City Council have any comments or questions about data analyzed in the report?
- Is the report's format and data appropriate for establishing trends and evaluating the goals of City Plan?

4. Break (6:50 p.m. - 7:00 p.m.)
5. Discussion of the 100-year Design Rainfall. (7:00 p.m. - 7:45 p.m.)

Staff would like to provide additional information requested at the January study session and get additional guidance from Council on the following questions:

- Does Council have additional questions about historic rainfall or rainfall patterns in Fort Collins?
- From the previous study session it appears Council supports the 100-year protection level of 3.67 inches over 2-hours. Does Council still support this protection level or are there options to reconsider?

5. Other Business.
6. Adjournment.
