

COUNCIL OF THE CITY OF FORT COLLINS

STUDY SESSION AGENDA

June 22, 2004

6:00 p.m.

1. Call Meeting to Order.
2. Northside Neighborhoods Plan – Update and General Direction. (6:00 p.m. - 6:45 p.m.)

The Northside Neighborhoods Plan process, initiated in the fall 2003, is at the halfway mark and still on track to be completed in late fall, 2004. Primary tasks completed to date include assessment of existing conditions, opportunities and constraints analysis, issues identification and draft vision and goals.

The technical team of staff and consultants developed a summary of important local infrastructure needs and analysis of physical influences, based on the assessment of existing conditions. Staff is requesting Council direction and feedback regarding the following questions:

- Has staff identified all relevant issues?
- Is additional information needed?
- Is Council comfortable with the outlined planning process and public outreach program?

3. Discussion Regarding the West Nile Virus. (6:45 p.m. - 7:45 p.m.)

The purpose of this study session is to consider adoption of the criteria that have been developed by the Larimer County Board of Health to indicate when West Nile Virus activity poses a serious enough risk to human health to warrant use of aerosol adulticides.

4. North Front Range Metropolitan Planning Organization and the 2030 Regional Transportation Plan. (7:45 p.m. - 8:45 p.m.)

The North Front Metropolitan Planning Organization (NFRMPO) will present an overview of the upcoming 2030 Regional Transportation Plan (2030 RTP). This Plan will be the guiding document for the next three years in facilitating transportation system development for this region. The 2030 RTP will be incorporated into CDOT's statewide plan. This presentation is the kick-off to the second part of the public outreach effort.

5. Other Business.
6. Adjournment.

The City of Fort Collins will make reasonable accommodations for access to City services, programs, and activities and will make special communication arrangements for persons with disabilities. Please call 221-6515 (TDD 224-6001) for assistance.
